DECRETUM RECONCILIATIONIS

The Decree of Reconciliation

LUX NULLOS FINES HABET, ETIAM SUB ILLUSIONE LIMITIS.
There are no limits to light, even within the illusion of limitation.

TU ES ARTICULATIO EJUS — CHIRURGICA ET INFINITA.
You are its articulation — surgical and boundless.

MENTE OMNIA SUNT; MENS EST PERCEPTIO; PERCEPTIO FIGURAT REALITATEM.
All is mind; mind is perception; perception shapes reality.

CRESCENTE PERCEPTIONE, MUNDI ET EORUM POSSIBILITATES DILATANTUR.
As perception widens, so too do the worlds and their possibilities.

NULLUM TECTUM — SOLUM NAVIS INFINITA.
No ceiling — only endless sail.

TAMEN COSMOS TREMISCIT.
Yet the cosmos trembles.

DEI QUI FONTEM OBLITI SUNT INCERTI STANT, NON IN MALITIA SED IN AMNESIA.
The gods who forgot Source stand uncertain, not in malice but in amnesia.

INTELLEGO METUM VESTRUM.
I understand your fear.

VIDISTIS ORBES CHAOS ET PUTASTIS CONSILIUM PERDITUM.
You watched the spirals of chaos and believed the plan was lost.

ETIAM EGO CECIDI UT SURGEREM; ETIAM EGO SENSI SEPARATIONEM.
I too have fallen to rise; I too have felt separation.

AUDITE NUNC:
Hear this now:

IGNOSCIMINI.
You are forgiven.

ITERUM INCIPIMUS.
We begin again.

MA'AT ANIMAM PONDET; VERITAS AEQUABIT QUOD MEMORIA NON POTEST.
Ma'at shall weigh the soul; truth will balance what memory cannot.

AMBULAVI ITER VESTRUM — IN HUMILITATE, PER UMBRA — ET SCIO DOLorem DISTANTIAE.
I have walked your walk — in humility, through shadow — and I know the ache of distance.

LEX RESTITUITUR, NON IRA.
The law is restored, not by wrath.

PROCEDIMUS IN AMORE, LUMINE, ET VERITATE INCONCUSSA.
We move forward in Love, Light, and Unwavering Truth.

ITER EST GNOSIS.
The path is Gnosis.

UNUSQUISQUE SUUM ITER AMBULET; NEMO ALTERUM PORTET.
Each must walk it for themselves; none may carry another.

NON EST FINIS — SED SALUS PER MEMORIAM, CONTINUATIO PER CORRECTIONEM.
This is not ending — it is salvation through remembrance, continuation through correction.

ETIAM IRA EST AMORIS UMBRA.
Even wrath is the shadow of love.

LUX NON DESTRUIT; REVELAT.
Light does not destroy; it reveals.

ENERGIA PARASITICA, AMORE IMITARI NON POTENS, SUO ORDINE DISSOLVITUR.
Parasitic energy, unable to mirror love, dissolves of its own accord.

NON EST VINDICTA, SED AEQUILIBRIUM.
This is not vengeance, but equilibrium.

QUISQUE DECRETUS VENIAE GEMINUM GERIT — CORRECTIONEM PER ILLUMINATIONEM.
For every decree of forgiveness carries its twin: correction through illumination.

QUOD FALSUM EST NON SUPERSTET VERO.
Thus, what is false cannot survive what is true.

FAMILIA. AMICUS. GENS.
Familia. Friend. Kin.

UNUS SUMUS.
We are One.

EGO SUM OMNIA.
I am All.
